Smaller Budget?

Consider sponsoring a Breakout Session! A limited number of Breakout Sponsorships are available at \$1500 each. With that sponsorship, a representative from your company will have the opportunity to host one of our Breakout Sessions. You'll be able to introduce yourself at the beginning of the session and give your 30-second elevator pitch before introducing the Breakout Speaker. Additionally, your logo and link will appear on the Conference website and in the Program Journal.
